DEPUTY COMMISSIONER'S OFFICE,
MYSORE DISTRICT,

Dated Mysore 3d. May 1893

From

A Rangasami Iyengar Esq.r
Deputy Commissioner,
Mysore District.

To

The Chief Secretary to the Dewan of Mysore,

SIR,

I have the honor to state that, in accordance with a Notification published in the Local Gazette, the annual sales of Kuranga stones in the 8 Taluks of the District Proper for 1893-94, were held by public Auction before me at Mysore, on the 29th Ultimo. There was very little competition among the bidders present, though there were many of them, owing to a slack demand for the stones in Madras.

× Vide list enclosed.

As the highest bid for the Hunsur Taluq was only Rupees 300-0-0 against Rupees 3685-0-0 realized in the previous year and as that for the Heggadevenekote Taluq of Rupees 400-0-0 was retracted before acceptance, I thought it best to reserve the two Taluqs pending a change in the state of the market for the article, and beg that my action may be approved.

The result of the sales in the French

From

To

The Chief Secretary to the Dewan
Mysore.

Sir,

I have the honor to report that the annual sales of Kurunga and limestone of the District Proper for the year 1894-95 which had been previously, duly notified in the Mysore Gazette were held at Mysore on the 26th May 1894 by Mr. Panchanath Row, the City magistrate, under my orders. Only about 15 men were, it would appear, present and I learn that, in spite of every effort on the part of some of the Amildars who were also present, proper bids were not receiv-ed and that there was no competition what-ever. I have submitted herewith for your

your information a statement of the amounts realized during the last 3 years and the amounts offered at the present sale for kurunga stones. During the sales held last year, 2 Talukes, viz., Heggadevana-kote and Hunsur were reserved for want of proper bids as reported to Government (vide this office letter No. 1335 dated 3rd May 1893 and Gr. C. No. 19386/175-92 dated 16th May 1893). The commercial value of this article appears to have considerably declined owing, it is said, to Kurunga stones of a superior quality having been exported from Japan.

Paper A in section II

It will be observed from the statement that there has been actually no bids received for 4 out of the 8 Talukes and that the price offered for the remaining 4 is unduly low. Under the circumstances, the bids were not accepted. I beg that this action may be approved.

None came forward to bid for limestone at the sale. The trade has

SIR,

In the year 1895-96 the right of collecting the Kuranga stones in all the eight Taluks of this District proper, named in the margin, was sold for Rs 1,710. The farm for the current year (1896-97) was sold on the 16th July 1896, after due publicity in the Gazette &c, but none came forward to bid in the sale. The right to collect the stones in one or two Taluks only was applied for, but the sums offered being low as noted in the margin, the offers were not accepted. Today the last year's farmers, Messrs Madhavadoss Govindjee & Co: of Madras, appeared and offered Rs 1,200 for the whole of the District proper for the current year.
